There is a **loop system** in operation for the hard of hearing "T" position. If you feel you are unable to stand up for **Communion**, please sit in the front two pews, either side of the Church and our Clergy will bring Communion to you in your seats. Please do not struggle unnecessarily. Out of respect and courtesy for our service leaders and other church members, please ensure all **mobile phones** are turned off during the service. **Prayer** is also available after the main service in the prayer corner. Should you wish someone to pray with you then please ask a Sidesperson.

Children's Sunday activities are available at most of our services please ask a Sidesperson for details.

We also run Toddler and Youth Groups throughout the week, if interested please just ask.
